INTELLIGENCE VALUE OF THE MAINTENANCE OF U.S.
MISSIONS IN POLAND, CZECHOSLOVAKIA, HUNGARY, AND RUMANIA

1. In pursuance of the action of the IAC at its last meeting (reference paragraph 4) representatives of the agencies have prepared the attached draft letter to the Secretary of State, urging the continued maintenance of the U. S. missions in the satellite countries.
2. It is recommended that the IAC concur in this draft letter.
3. The agencies have contributed specific illustrations of the value of reporting from the satellite missions which will be given to Mr. Armstrong for briefing the Secretary, it being understood that if they are used in discussion with Senators or Congressmen the illustrations will be sanitized to avoid disclosure of sensitive information.
